

## Great British Car Journey

15th September 2024 | Ambergate

There is a heavily discounted entrance fee of £10 which needs to be paid in advance, otherwise standard charges will be applied. We want the event to be effectively free to Club Members, so on production of your membership card to one of the Club Officials on the day, you will be issued with vouchers to the value of £10 which you can use on food, merchandise or a discount on entrance fees for a guest!

The Club has booked the Great British Car Journey at Ambergate in September for a Rally – this is a first for the Club and if successful will hopefully become a regular event.

Over 130 carefully chosen vehicles tell the story of the British motor industry on an interactive journey spanning the last 100 years.

Guided by an audio-visual tablet, visitors will meet the two founding fathers of the industry: Herbert Austin and William Morris, whose vast manufacturing plants in the Midlands produced millions of cars which were exported all over the world. British cars

heralded a global transport revolution mobilising billions of people.

Now that era has passed. Cars have since become as reliable and disposable as a domestic appliance, and the industry has become globalised and centred in the East. China is the world's largest car manufacturer, whilst Japan leads the export race which was once a British preserve. Austin, Morris and many other British brands have long since disappeared. However, they are now experiencing a renaissance in the Derbyshire Dales.

From the legendary Austin Seven to the magnificent Mini, Great British Car Journey tells the fascinating story of engineering, enterprise and endeavour which, for a brief period, saw British cars rule the road.

There will be plenty to do and also on-site catering, car show competition with awards, and a raffle. If you have any queries please contact Jaki Ragg – on 07800 506655.

To take advantage of the discounted entrance fee of £10 please purchase your ticket online using the link/QR Code above. To repeat, we want it to effectively be free to Club members, so on production of your membership card to a Club Official on the day you will be issued with vouchers to the value of £10 to be used for food and drink, in the shop, or museum entrance for your guest.
