- <sup>1)</sup> All models are type approved to WLTP (Worldwide harmonised Light-duty vehicles Test Procedure) standards. WLTP is the official test regime for passenger cars and the emission figures will be used to calculate the vehicle tax on vehicles first registered from 1<sup>st</sup> April 2024 and from 6<sup>th</sup> April 2024 for company car Benefit-In-Kind purposes. The exact CO<sub>2</sub> figures of the vehicle will vary according to any options and packs specified.
- <sup>2)</sup> Vehicle Excise Duty shown for vehicles registered up to and including 31<sup>st</sup> March 2025 and is subject to change from the 1<sup>st</sup> April 2025. Vehicles with a list price over £40,000 (vehicle price plus paint, options, packs and delivery costs - excluding any discounts) when new, pay an additional £410 per year on top of the standard rate, for five years from the start of the second licence. This additional tax is not applicable for zero emission vehicles if registered up to and including 31<sup>st</sup> March 2025, but will be applicable from 1<sup>st</sup> April 2025.
- <sup>3)</sup> P11D value for Benefit-In-Kind purposes is the total vehicle price plus delivery charge. BIK % is shown for the 2024/25 tax year.
- <sup>4)</sup> All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £800 and vehicle tax as 1<sup>st</sup> April 2024 (as set by the government). This charge does not include any provision for fuel. The On The Road price also includes a £55 first registration fee (as set by the government - excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.
- <sup>5)</sup> Figures shown reflect standard vehicle without options. The Volvo car configurator can display the estimated CO<sub>2</sub> and vehicle range according to selected packs, options and wheels. Confirmation of the exact CO<sub>2</sub> and EAER (Equivalent All-Electric Range) values can be given once the vehicle order has been confirmed by the factory for production.
